Business Men Suggest New Constitution

Revised By-Laws Of
Association To Be
Submitted June 9

A revised constitution will be submitted for approval at a special meeting of the Arlington Heights Trade and Civic Association June 9, as drawn up by the board of directors at their meeting last Wednesday evening. With a view to saving time, the board recommended also that the new directors be elected at the same meeting.

Since the first annual banquet of the association held last February, interest has grown and demanded greater service of the organization that Arlington Heights required. It is hoped that it will continue to grow and perform added services to the community.

To offset the increasing responsibility of the secretary, the revised constitution suggests two secretaries, one to be a recording secretary for preserving the minutes of the meetings, the other an executive secretary.

The administrative duties, subject to the board of directors, he will conduct an official correspondence and will give the necessary leadership in the promotion of an adequate program to meet the needs of the association.

Another important change is in the election of the officers of the association. In the suggested constitution, the officers of the board of directors and of the association will be elected by the directors themselves and not directly by the members. The members will elect the specified number of directors and then the directors will appoint the officers from their own number.

Copies of the suggested constitution will be circulated to all business and professional men and women in the community before the meeting in order that an intelligent discussion of the question may be possible at the meeting called for this purpose. A list of nominees for board positions will also be sent to members.

An effort is being made to bring up to date the list of business and professional men and women in Arlington Heights. Should any such person fail to receive a notice of the special meeting, and a copy of the suggested constitution, and a member of the board of directors would appreciate knowing of it.

A copy of the constitution will appear in the next issue of the Herald.

WPA Worker Crashes Car In Palatine

Willard Voss of the State and Rand road neighborhood, a WPA worker who, with a couple of associates, was making a joyful tour of the taverns of Palatine last week crashed into a car driven by Marjorie Betsnyder of Palatine at Colfax and Bothwell streets, Palatine.

Voss was driving north on Bothwell street and in his befogged condition, failed to stop for the stop sign and crashed into the Betsnyder car.

Both cars were damaged and Miss Betsnyder received a severe bump on the head and badly shaken up. One of Voss' companions vanished immediately after the accident, but Voss was arrested, and one associate, a man named Vogt from Wheeling, also a WPA worker, were taken to the station.

Voss was charged with failing to stop for a stop sign and with driving a car while under the influence of liquor.

He was found guilty on the stop sign charge and the more serious charge will be heard in Judge Steinbrink's court Saturday.

Local officials are determined that drunks and drunken drivers be given to understand that Palatine is no happy hunting ground for them and they will find scant sympathy at the hands of Palatine officials.

Arlington Family In Need Of Baby Buggy

One of the many families that have come for help to Miss Jackson, community nurse at Arlington Heights, pleads for a baby buggy. With a number of families already under her wing, she has taken the responsibility of furnishing this one with a sturdy carriage, and is asking the community to help her now as they have done in the past. Having investigated the family, she finds that they have excellent reasons for needing one. We know her to be right and hope that the order may be filled.

A second concert will be Wednesday, June 1. Come and enjoy these concerts, no admission will be charged.

Wheeling Democrats Hold Gala Dinner-Dance At Rand Tower Tuesday

Kriz, police magistrate of Berwyn and candidate for county commissioner; Judge Walter W. L. Meyer of Probate court and candidate for county commission, and last, but not least Mr. Homer J. Arlington Heights Only Town To Receive Direct Air Mail Service

All air mail letters destined to towns from Des Plaines to McHenry were addressed to Arlington Heights in two air mail pouches dropped off at Pal Wauke airport last Thursday afternoon.

Pony express left the Arlington postoffice at three o'clock with a record number of letters, 551. During the week, 715 letters were sent via air mail from the village.

The success of the air mail "flight" is largely due to the local postmistress, Mrs. Thurman Dodge and the Business Men's association who cooperated in putting over the event.

The real pony express provided excitement for the number of cars that followed it to the airport. The heat of the day caused one rider to lose his saddle twice during the rush. But Mrs. Dodge saw to it that the mail pouch reached Pal Wauke in time for the flight.

With children's diseases on the increase, school and health officials are glad that school is about over and that no serious epidemic is liable to take place.

Former Resident Of Palatine Dies Of Heart Attack

Irving Beutler, formerly of Palatine, passed away suddenly at his home in Chicago Friday evening.

Burial was at Columbus, Indiana.

Tax Books In Country Towns Closed

Elk Grove Is Only
Township To Report
Larger Collections

Tax books for the 1937 taxes were closed in the townships in this territory last Saturday night.

Home town collectors returned their books to the County Collector on Sunday and Monday and all bills are now payable at the County Collector's office at the County building.

Town collectors as a rule report collections lower than last year with the exception of Elk Grove township where collector Albert Kraemer reports a slightly larger collection than last year.

All collectors experienced a big last day's rush which brought collections up to a better figure than looked possible early last week.

Second installment of the 1937 taxes will be made in September, the penalty date being Oct. 1.

First installment of the 1938 taxes will probably be due in March of next year.

Taxpayer Has Plan For Working Off Relief Tax

When Ed. Landwer, Palatine township farmer paid his taxes the other day, he made a suggestion about the relief situation which is worthy of consideration by the State Legislature which is having many a headache these days while wrestling with the relief problem.

Ed's suggestion was this, every time a tax payer pays his taxes, he should be given a certificate by the collector that he had paid a relief tax, in whatever amount that tax came to. Then the taxpayer should be allowed to take this relief tax certificate to the township supervisor and the supervisor would assign enough labor to the tax payer from the relief rolls to work off the tax payers relief tax.

In this way if a taxpayer needed some work done, painting, carpenter work, farm labor, lawn cut, garden spaded or what not, that work could be done for him from the relief rolls up to the amount of his relief tax.

In this way the tax payer would be getting value received for his relief tax and the relief clients would be earning their relief allotment by actual labor.

There is food for a lot of thought in this suggestion of Mr. Landwer's and if some such system could be put into effect it would make a better feeling all around toward the relief question.

Measles Epidemic Breaks Out In Palatine

Just when a wave of chicken pox began to subside an epidemic of measles has hit the youngsters of Palatine.

In the last few days, Gordon Morris, James Schwingler, Gene Ward and Otto Gaare's little girl, have been placed under quarantine.

With children's diseases on the increase, school and health officials are glad that school is about over and that no serious epidemic is liable to take place.

The Des Plaines team lists as members Fred Klipp, Billy Bruhn, Tom Marsicano, Fred Harm, Ralph Zimmermann, Dick Gunther, Herb Roedter, Art Grambauer, Herb Haedike, Carl Mahn, Red Holste, Frank Scharringhausen, Sam Atkins, Ed Fritz, Chuck Scharringhausen and many other well known old time ball players.

Make Memorial Day A Vacation For Everyone, Stores Are Closed

Voters Asked to Give Up Old School For New, Saturday

The Editor On Vacation...

Discovered today that there are other mayors beside "J. D." who work for a living. Stopped in a cigar store and was handed the keys to the city by the mayor, who in everyday life sells cigars and cigarettes over the counter. He said that his is an easy job.

This is a town of 12,000 people all law abiding; 25 hotels patronized by outsiders who are not so law abiding; has no police car, no slot machines; taverns closed all day Sunday; and traffic light on every corner.

Speeding is impossible. All mail travels by stage coach and I have not as yet found the R. R. depot.

Invited to eat dinner Thursday with the local Lions club. I receive every consideration; perhaps it's the Illinois license plate, or the Buick car.

After checking and rechecking with service station attendants the Buick has hung up a record for the Arlington Heights police department to shoot at; at making 20 to 22 miles a gallon. Never did it in Illinois. I still could not believe it and yesterday (Sunday) made another check. Traveled 170 miles on 8 gallons of gas, at a speed of 45 to 55 miles an hour. I don't expect you fellows to believe it.

Somebody should tell WGN that its programs are not heard in Mt. Clemens and only five copies of the Tribune reach here a day. There are no delicatessen stores, here, but there is a 13 story court house that only cost \$650,000, completed in 1931 and is all paid for except \$47,000.

Traffic is so heavy that pedestrians must walk between the traffic lanes which are repainted about 3 a. m. every Tuesday morning. They call this the bath city and I can understand why, after spending 90 minutes every morning in a tub as big as a house, filled with water that smells like Salt creek at Palatine with a big muscular giant to make you like it. Just because everybody else is doing it, does not make it any more enjoyable. Only satisfaction is that there are 72 other fellows in 72 other bath tubs doing the same thing at the same time.

I will be seeing you if I survive the bath tubs. Otherwise this is a good town.

N. B. I miss the movies back home.

Railroad Objection To Palatine Tax Rate Overruled In Court

Objections of railroad attorneys to a part of the Village of Palatine tax rate were overruled by Judge Jarecki in the County Court last Thursday.

The objecting attorneys objected to the size of the contingent fund, but the objection was not sustained.

Village Attorney Humphrey and Clerk E. P. Steinbrink represented Palatine at the hearings.

The cases of the township of Palatine, together with other towns, was continued to June 1.

Arlington Garden Club To Hold Show

Neighboring Towns
May Enter Annual
Flower Exhibit

Second Annual Flower Show sponsored by the Arlington Heights Garden club will be held at the Presbyterian Parish hall Friday and Saturday, June 3 and 4.

Increased interest in the work of the garden club this season caused the committee to extend the show the second day.

Judges declared the show last year to be the largest and most beautiful exhibit they had seen. This year with a much enlarged membership, the Club is confident that last year's exhibit will be equaled and probably surpassed.

More exhibiting space is available and it is hoped that the citizens of Arlington Heights and neighboring towns will avail themselves of this opportunity to exhibit flowers from their gardens.

Exhibits are solicited from everyone regardless of membership in the Garden club.

The show will be open to visitors from 1 p. m. to 10 p. m. Friday and from 10 a. m. to 10 p. m. Saturday. Exhibits must reach the hall not later than 9 a. m. Friday morning in order that arrangements may be complete for the judges before the official opening at 1 p. m.

Scarsdale Dance and Junior Prom and Banquet Are Week's Highlights

Scarsdale Dance Well Attended

The friendly spirit of the good neighbors of Scarsdale pervaded the atmosphere of the Scarsdale dance which was held at the Elmhurst Country Club Saturday evening, with one-hundred and eighty residents of Scarsdale and their friends of the Village in attendance. Dancing was enjoyed to the music of Jilek's Swingsters of Chicago, who provided excellent music.

During the evening a floor show was presented consisting of dance numbers furnished by a trio of dancers, Mr. Henri Pick, Bert Casteel and Lorain O'Brien, of the Eshelman Dancing Studio of Chicago. An adagio comedy was presented by Bert Casteel and Lorain O'Brien. The jazz toe solo was presented by Miss O'Brien and the last was a trio adagio given by Mr. Henri Pick, Bert Casteel and Lorain O'Brien. The excellence with which the numbers were executed brought forth resounding applause.

The drawing was held for the more than thirty door prizes at midnight while the guests were seated at tables enjoying a midnight supper. They were also entertained by a strolling accordionist who wandered among the tables, playing for the guests.

The committee in charge, composed of Louis Henken, Otto Schwartz, and Albert Hill are to be commended for the success of the party, which so well expressed a friendly welcome to the new residents of the subdivision and the town folks as well.

Junior Banquet and Prom Big Event

One-hundred and twenty members of the junior and senior classes of the high school attended the annual banquet given by the Juniors for the Seniors, and over four hundred students and friends later attended the Junior Prom, which was held in the gymnasium, Saturday evening, May 21.

The gymnasium of the high school was transformed into a very beautiful garden scene with spring flowers and green and white decorations carrying out the garden idea. One large table was set for the toastmaster and speakers and smaller tables were arranged for the guests. Green and white decorations were used on the tables with bouquets of sweet peas completing the arrangement. Robert Rehling, of the junior class acted as toastmaster, and introduced Kenneth Kohnke also a junior, who gave the address of welcome. Mr. Conger gave a word of greeting, and Warren Carlson, president of the senior class, gave a talk to the juniors. Evelyn Jarvis and Lorraine Schoenbeck sang a vocal duet, songs were enjoyed by the group, after which Dudley Budlong gave a farewell talk to the seniors.

At the close of the program the group dispersed to meet later, at the big event of the evening, the Junior prom, which was also held in the gymnasium. The prom was formally opened with a grand march led by Dudley Budlong, president of the Junior class and Betty Jaeger, and Warren Carlson, president of the senior class and Lois Alton. The girls in their summer formal and boys in white flannels, made the picture complete. Mr. and Mrs. Budlong, Mr. and Mrs. Carlson, Mr. and Mrs. Davis and Mr. and Mrs. Hanauer, acted as chaperons. A group of Northwestern University players, Art Weizman's orchestra, provided the music.

Camp Fire Girls Entertain Mothers

Mrs. Thomas Cooper attended an all day meeting of the program chairman of the Parent-Teacher association at the Hotel Stevens in Chicago, Monday. Mrs. Holland Flagler, State program chairman, conducted the meeting. A symposium conducted by State chairman illustrating the various types of program, was presented in the afternoon.

Miss Sylvia Radke Wed To Henry Popp

Miss Sylvia Radke, niece of Mr. and Mrs. Joseph Lindner, became the bride of Henry Popp, Palatine, in a double ring service at a small home wedding at 103 N. State road, Arlington Heights, Saturday evening at 7:30 o'clock. Rev. H. A. Kossack performed the ceremony. Miss Radke was attired in a sheer marquisette gown with an all over design of tiny hearts and diamonds and carried a shower bouquet of white roses and white sweet peas. She wore a long white veil covered with orange blossoms.

Mrs. Alvin Popp, Arlington Heights, acted as matron of honor and wore a pink organdie dress and carried a bouquet of white and pink sweet peas. Alvin Popp, brother of the groom, acted as best man. The bride was given away by her uncle, Joseph Lindner. Miss Gloria Wilton played the wedding march. After the services, a violin and piano arrangement of "I Love You Truly" was played by Miss Wilton and Mrs. Popp. The bride's veil was the same veil used in the wedding ceremony of her cousin, Mrs. Alvin Popp, two years ago.

A buffet supper was served, and the bride cut a large beautiful wedding cake. The room was decorated with a background of ferns and palms.

The groom is the son of Mrs. Amanda Popp of Palatine. He is employed in construction work in this vicinity.

DOINGS IN SCARSDALE

by V. A. STURM

The Spring season of 1938 in Scarsdale has certainly helped to show Arlington Heights actively as the "City of Good Neighbors" and it might well be added "Desirable Neighbors" to Metropolitan Chicago. Buildings being completed are more beautiful than ever, representing the best and most up-to-the-minute arrangements and liveable "castles" for people desirous of owning a nice home in pleasant surroundings as represented in addition by Arlington Heights. The gentlemen of the "tooled stick organization" are glowing with pride because their influence with Jupiter Pluvius has produced an abundance of April Showers-in-May to make plant-

ings push up out of the ground. This gives said gentlemen an opportunity to substitute the sticks with rakes and hoes at the ends for those with driving heads and mastic blades to be used to "spade up" various golf courses about the countryside. Fore—is being substituted for the grunt!

Since our last article, Arlington Heights has been favored by moving in to their new homes, the families of the following residents of Scarsdale:

Mr. Lester T. McAuliffe, 521 Banbury Road (formerly of Rogers Park).

Mr. Carl M. Behrens, 583 Bristol Lane (a resident of Arlington Heights).

And not that they shall be delighted, are extended a hearty welcome and a share of the "Good and Desirable Neighbors" spirit and ever present Arlington Heights hospitality.

The final meeting of the 1938 spring session of the Scarsdale Property Owner's Association, is being held on Thursday May 26, 1938, at the home of A. H. Hill on Belmont avenue.

ROSELOS TAKE VOGUE
On a muddy field Rose-Lo took the Vogue to the tune of 11 to 3 Wednesday. Art Luersson shut the Vogue out for five innings, striking the last five men to face him. The Vogue scored its three runs in the 6th inning due to 4 straight

walks and a single. Joe Muran was the wild man in the sixth. Roy Davis led the hitters with 2 for 2. **EVERGREEN LOSES**

In a loosely played game, Gaare overwhelmed Evergreens Sweet Shop 16 to 5. Evergreen's poor showing was partly due to the fact that they had only one of their regular infielders on hand. They hit Hayes hard in the 4th and 5th innings, but were weak in hitting in the other frames. Tex Redeker and Wally Henniman led the hitters. Wally got 4 for 4 and Tex 3 for 3. Lou Brodman continued his good hitting of the first game and now has an average of .750.

They're Gonna' Be Cold Now, Says Ed at The Sandwich Bowl Counter

Yes sir, fellows! There's a brand new electric ice box at the Sandwich Bowl, Vail street, just installed this week. So when you're thinking about a cold one, remember here's the place to go for bottled beverages. It's a big modern streamlined box, so there will be plenty on hand at all times. And this is not the only sprucing up Ed's doing, either, if you count happen to look over that way while you're passing along, you'll notice a brand new awning.

Flying Stars

The Flying Stars, soon to be seen at Park Ridge, are a splendid example of an "All-American team" sturdily maintaining the high standard which the circus "fliers" of this country have set for the world. Appearing with the popular Russell Bros. Circus for the first time this season, they will be in action in Park Ridge, Thursday, June 2, when the circus gives two performances, afternoon and night.

Lake Forest Wins Conference Track Meet; Arlington 4th

Grant Nosed Out In Last Events; Palatine Gets 6 1/2 Points

Lake Forest scored 13 points in the last two events of the program at the Northwest conference meet Tuesday and passed up Grant to win the title with a total of 42 points. Three Lake Forest athletes collected 35 points to place their team in victory. O'Hara won the high hurdles, 220 yard dash, and the broad jump; Moore ran in spectacular style to win the 880 and break the mile record; while Peschman took second in the 100 and thirds in the javelin and 220.

Lake Forest had nothing on Grant for individual performances. Dufault with first in shot, discus, and javelin, tied O'Hara for high scoring honors. Burleigh collected seconds in the high hurdles and broad jump and won the low hurdles. This veteran pair scored 28 of Grant's 36 1/2 point total.

Libertyville won only two first places, but placed men in all but two events on the program to nose out Arlington for third place with 32 1/2 points. Arlington was a strong fourth with 29 1/2 points.

Libertyville had 11 boys who broke into the scoring, but only Envelod and Swan (his a tie) won first places.

Outstanding Arlington performers were Folkman who won the 440, Lacinia tied for first in the pole vault and won second in the 220. Milligan gained a tie for second in the high jump and fourth in the shot, and Rohlfing took second in the 880. Koelling, a sophomore, took fourth in the broad jump and tied for the same spot in the pole vault. Mueller got a tie with his teammate, Milligan for second in the high jump and Harth fifth in the 880 to complete the list of Arlington boys who placed.

Bensenville made a fine showing with 21 points just behind Ley-

den with 22. The Bisons did not win any first places but Cramer and Gallery won seconds; Pomplum, Cramer and Baumgartner, thirds; Katayama, Geils, and Baumgartner, fourths; and Speckman, fifth. Gallery led all the way in the mile until the last 15 yards when Moore of Lake Forest passed him for a new record.

Petry got Leyden's only first, a tie in the pole vault, but Doss, Quolunga, Witort, Roulo, and Jackson collected enough points to give Franklin Park, the entertaining school, fifth place in the meet.

Palatine and Barrington brought up the rear with 6 1/2 and 4 points respectively. Hollinger, Freise, and O'Brien scored fourths and Smith a pair of fifths for the Pirates. Colthes and Saul scored fourths for the Bronchos.

Medals were given the first three teams in each of the relays. Arlington won the freshman event and took third in the 880. Barrington took the medley and Libertyville the 880 relay.

The meet was unusual for the keen competition in all events. Few events found a very great difference between the winners and the boys who won fourths and fifths. This is responsible for the records made by the six stronger teams. The meet was unusual in that a new school in track, Lake Forest, won its first attempt at the conference title. There is no question, but that the class of competition in the conference is on the upgrade.

The committee consisting of Clark of Barrington, Watson of Leyden, Lindemeyer of Lake Forest, and Grose of Arlington, are to be commended for putting on a very fine meet.

Notice To All Voters

By RAYMOND T. O'KEEFE, JR.,
Michael J. Flynn, County Clerk, again advises all voters that it is necessary for them to write to this office requesting transfers of registration to their new addresses; also, that the requests must be signed by the individuals.

No transfer will be made if the signature on the transfer request does not compare with the signature on the permanent registration card. The voters are warned that it is their responsibility to mail their own transfer requests, and that it is inadvisable to rely on some one else to mail the requests for them.

Mr. Flynn also calls attention to the fact that those persons who are not now registered may do so with the City, Village or Town Clerk in their local community. The said clerks will accept their registrations up to and including the first Monday in October, 1938. Mr. Flynn suggests that voters in this class register at once so that any possibility of a mistake may be eliminated by virtue of a last-minute rush.

Red Wings Beat Bowlers In Ninth

Two Run Rally After Two Outs Wins Thriller, 8-7

Red Wings made it three straight last Sunday, trouncing the T. J. Bowler team of the Midwest League 8 to 7.

A belated two run rally in the last of the ninth inning after two were out, turned the trick.

In that last inning Al Pedersen fled out to deep right field, Farmer was thrown out by the third baseman. By this time some of the fans started for their cars thinking that the game was hopelessly lost. Geo. Schaefer helping his own cause along, dropped a Texas leaguer out over the shortstop's head which rolled away for two bases.

Then Harold Firnbach drove a hit right center which also went for two bases, scoring Schaefer with the tying run and putting the winning run on second. Roger Hertel promptly drove another hit down the left field line scoring Firnbach with the winning run.

The Bowlers got two runs in the first inning, but the Red Wings came back with five runs on six hits which included two triples and a double. The Bowlers got two more in the second and went ahead with three in the fourth. The Red Wings got a lone tally in the third and then waited till the last of the ninth to win the game. Schaefer allowed eleven hits, but he also struck out sixteen men.

Al Pedersen, who is playing his first season with the Red Wings already has won the admiration of the fans and is doing a nice job out in right field. Al was a star at Northwestern during his college days. "Porky" Wahl also made his appearance in the lineup Sunday. "Porky" can still go out and get 'em.

Next Sunday a strong team from Summit, Ill., will be here. This team comes well recommended and the home club will know they have been in a ball game when they meet this team.

With good weather here now, we should like to see the grandstand filled to capacity for this game. On Monday, Decoration day, the Cragin Merchants will furnish the opposition, so don't miss these two games.

Score by innings:
T. J. Bowlers 220 300 000—7 11 2
Red Wings — 501 000 002—8 11 2

The probable lineup for next Sunday's game will be:
Summit—Petratis, cf; Tourville, rf; Tracy, ss; Klock, 1b; Szaif, 3b; Prokaski, 2b; Matty, lf; Yarsow, c; Rachine, p.

Red Wings—J. Brodman, cf; I. Kehe, ss; F. Brodman, 3b; R. Willett, lf; A. Pederson, rf; R. Hertel, 1b; E. Kopplin, 2b; R. Bolte, c; G. Schaefer or M. Kehe, p.

Once a year, on Memorial Day, we respect and honor our dead. It is just and fitting that we do so.

During the holiday period, however, we frequently forget our own safety. In past years, many more dead have been added to our cemeteries because of reckless and unsafe practices on these week-end holidays.

Make this Memorial Day week-end a safety week-end. Do not violate the rules of courtesy and the rules of the road. America can make Memorial Day a real day in the memory of our dead by safe, sane, and sensible driving.

ties to increase from two to three the number of district meets in the west and north suburban area because of the large number of outstanding performers in the smaller schools who do not get a chance to win recognition. The petition was turned down. The results of this year's meet seem to prove that the petitioners have a real complaint. We Finish the Year

In closing our comments for the year we wish to thank all the coaches and others for their cooperation in sending us results, box scores, and suggestions. It has all been appreciated. If you have been interested in the sport page and wish it continued during the next school year, just let Mr. Paddock know about it. If you think it is worth while, it will be continued as a regular department in his papers.

Former Justice Speaks For Liability Repeal At Bankers Meeting

Campaigning for repeal of double liability on stockholders in state banks, Floyd E. Thompson, former chief justice of the Illinois Supreme court, addressed the Illinois Bankers Association at Springfield at their annual convention Monday evening.

Removing the double feature clause by an amendment to the Illinois constitution was proposed by Judge Thompson, chairman of the constitutional amendment committee. The provision has passed the general assembly by a substantially unanimous vote.

"The depositor is interested more in means of preventing disastrous failures than he is in devices of protection after insolvency," pointed out Mr. Thompson. "This real protection can be provided by banking laws requiring adequate capital and surplus in relation to deposits, providing for correcting capital impairment before capital and surplus are exhausted by losses, and requiring frequent and rapid examination by an adequate force of competent examiners."

"The voters of this State have the opportunity to open the way to a better state banking system by adopting the proposed Constitutional Amendment in November."

Child Health Stations Offered To P.-T. A.

Rural Public Health Nursing Service of the Cook County Bureau of Public Welfare is again offering the services of its child health stations in May and June to all of the Parent-Teacher Associations in Cook County for the physical examination of the pre-school children in the so-called "summer round-up." Any child in the community entering school in September is eligible.

The only stipulation is that parents who are able to pay should be referred to their family physician and that the P. T. A. furnish clerical and any additional help which may be necessary.

Harriet Fulmer, supervisor of the public health division is asking the organizations to apply immediately for this service if they care to have it. The nursing service meets regularly once in every month in each community.

Tells Rates

For Crop Insurance

Crop insurance which will guarantee insured wheat growers three-fourths of an average wheat crop in 1938, will cost farmers of Cook county, an average of 2.3 bushels per acre, it was announced this week by Farm Adviser Hughes. For insurance that guarantees one-half of an average crop, the rate will average 1.2 bushels per acre.

County rates reflect the average per acre loss in Cook county during the 10 years, 1926-35. The premium that an individual wheat grower will have to pay for insurance will depend half upon the crop losses on his own farm. The rates for each farm will be computed in the branch office of the corporation. Average yield an acre for the county during the 10-year period was 18.6 bushels. However, the

cost of insurance is not based upon the average amount of yield, but on the year-to-year variations in yield.

Two farmers with the same average yield for the 10-year period would not necessarily pay the same premium for the same percentage coverage, Hughes pointed out. The farmer who suffered but little crop loss would pay less than the farmer who suffered frequent and heavy losses, even though their average yields were the same. Cook county rates will be available in the offices of all county AAA committees about which the county crop insurance program will center.

Each farm established its own premium rate. The low risk area in which Cook county is located, does not have to help carry the load of an area of higher risk such as the dust bowl or semi-arid districts.

The figures farmers need for calculating their insurance will also be available in the county committee offices for farms which participated in the AAA wheat adjustment program. The county committee will arrange for an appraisal on farms for which these figures are not available.

The premium a farmer pays covers only the actual cost of the insurance. Administration costs and costs for storage of insurance reserves will be paid by the Corporation.

Smooth Tires Are Dangerous Dealer Says

With Memorial Day this year falling on Monday, the impulse to plan a week-end vacation trip far from home is going to be real strong for many motorists to resist, according to Elroy Winkelmann, local dealer for The Goodyear Tire & Rubber Company.

"The additional day means that many people are going to get pretty far afield," Mr. Winkelmann explained. "Most of them are going to enjoy their trips and return home safely, without incident. Some of them, however, are going to meet with inconvenience, delay and possibly accident, due to failure to replace old worn tires with new rubber before starting out."

"Old, smooth tires are likely to fail on the hot highways encountered at this season, and delays will be experienced that could have been avoided if new tires had been purchased."

In the knowledge that even if a tire fails at high speed they will still be safe—because they have equipped their cars with Goodyear LifeGuards, the remarkable safety device that, in effect, turns a blow-out into a slow leak. Replacing the conventional tube, the LifeGuard consists of a heavy tube inside of which there is an inner fabric reserve tire, which contains sufficient air to allow the driver to come to a safe stop after any kind of tire failure, no matter at what speed.

"The combination of new tires and LifeGuards gives the car owner a feeling of safety that can't be beat—and the lack of new tires and LifeGuards will spell trouble for many a motorist who could have avoided it," Mr. Winkelmann concluded.

Russel Bros. 3-Ring Circus Big Attraction Next Week

A colorful occasion is in store for the residents of the northwest suburbs, in the form of a real honest-to-goodness 3-Ring Circus appearing under canvas with all the traditional atmosphere of the "Big Top" and Sawdust Rings—lovely ladies in tights, death-defying acrobats and aerialists, ludicrous clowns, ponderous "pachyderms," high-spirited horses, and all manner of trained animal acts.

Arrangements have been made for the Russel Bros. Circus to appear at Park Ridge, Thursday, June 2.

This is the first time in many years for a circus of major proportions to visit the outlying neighborhoods of Chicago. It is the theory of the sponsors and circus owners that by showing at locations conveniently located, many people will be reached who do not ordinarily have ready access to circus entertainment.

The Russel Bros. Circus has been on the road continuously for ten years and during that time has toured some 40 states. It claims a nationwide reputation for high quality and cleanliness, and is a favorite among members of the Circus Fans Association of America and devotees to the circus in general.

An intriguing array of arenic talent is promised, including such celebrities as Albert Hodgini, Jr., champion bareback riding star and his troupe of "equestrians"; the Stuart Roberts Trio, Aerial Ors, "Fl" Star and Morris Troupe of teeterboard acrobats; Don LaVola and Don Philippe, wizards of the slack and tight wires; fine performing horses, trained elephants and many other four-footed performers. The entire two-hour performance is of course, punctuated by the antics of a large contingent of clowns and attuned to the stirring tempo of circus band music.

The Circus has its own vast tented city. Besides the "Big Top" where the main performances are presented, there is a menagerie containing a complete assortment of wild animals on display, at no extra charge. Circus Day is made complete by a Wild West performance and museum of oddities and minstrel entertainers.

Henry Ford Has Had Many a Good Idea

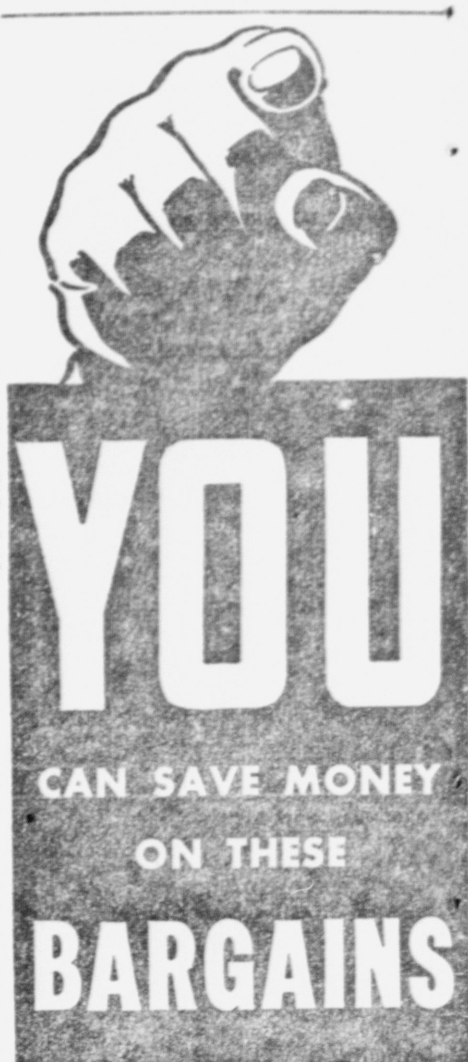

Keeping ideas in circulation is certainly a worthy public service for any community. Henry Ford says that the only real security that a man can have in the world is a reserve of knowledge, experience and ability and that he appreciates the way The Reader's Digest presents a wide range of current thinking.

He says that nothing is more profitable for all walks of life than nutritious ideas. But to find the BEST articles to read is an impossible job for one person. The editors of The Reader's Digest spend 625 eight-hour days or 5,000 man hours reading through hundreds of publications. Thirty-five of the best articles selected each month from the thousands available are condensed to the short, easy reading style of The Reader's Digest.

The ideas, information and topics of conversation you find in this amazing little magazine will be a treat for you and your family.

It Happened Here

Grass was silvered with frosty rime—the blackbird tilted on the edge of the bird bath and cocked an eye at the enchanted water—oriole sang and wove overhead—the rose breasted grosbeak from the orchard sang his prelude and then broke rapturously into full, clear whistling—the dove mourned gently—the brown thrasher dropped a few chords—the lark still "filled the air as with the cool spray of aerial music"—and the white throat in the bushes repeated his plaintive peabody call; delicately we lifted the silver disc of ice from the bird bath and held the glistening shield up against the sun—fine hair lines etched a cobweb pattern from center to rim—reverently we laid the frail plate upon the grass to be resolved into earth elements, but we knew that for one shining moment we had held the fairy thing in our hands, the record of the bird's May Festival—the dog ran an exploring pink tongue over the silver screen—too hot a dish—better let it cool off—how about a scamper after neighbor rabbit?—there's a distinct code between the two—rabbit must keep so many jumps ahead of dog's nose—if rabbit pauses and sits up, dog must feign an interest in some side scent—the game's the thing, sort of chevy chase, tantivy thro the brush... This is oriole week and he has never been in better form—he comes to the old apple tree searching twigs, from twig to twig climbing his green stairway until he sways, a living flame, on the topmost spray singing his care-free song.

"With thy clear keen joyance
Langour cannot be;
Shadow of annoyance
Never came near thee;
Thou lovest, but ne'er knew love's
sad satiety."

(And a bird book to any boy or girl sixteen years old or under who can name poem and author.) The rose breasted grosbeak is favoring us with a longer stay this spring than in former seasons; his song belongs to orchards and green aisles deep in grass and when his whistled braids in and out with the oriole's, the result is pure ecstasy... "Music from the whole creation, oft hath been my guide and master." (From The Kalevala.) S'Amuser.
